

A close-up photograph of a child's hands, wearing a grey shirt, holding a small amount of dark brown soil. The child is barefoot and standing in a garden with green plants and soil visible in the background. The lighting is natural, suggesting an outdoor setting.

Wonderfully Made Childcare

Position - Teacher Classroom
Classroom: The Explorers

Job Description

Our team at Wonderfully Made is looking for a full-time teacher for our 3-year-old classroom, known as The Explorers. The Explorers classroom consists of 8 children in total. We believe in the teaching that good leaders eat last. That is why both our Director and Assistant Director at Wonderfully Made frequently serve their teachers in the classrooms with daily tasks like bathroom duty and clean ups so that our teachers are able to spend more quality time with their students.

As author Simon Sinek once said, “If your actions inspire others to dream more, learn more, do more and become more, you are a leader”. Our heart is to find passionate early education teachers whom we can provide a safe space to grow and a work that they find joy in doing. Our school is open Monday to Friday from 7AM to 5PM. Full-time staff work 8-hour shifts and 40-hour weeks Monday through Friday. Pay is \$19/hour.

Education: Associate’s degree (preferred)

Childcare Experience: Minimum of 1 year (required)

Benefits

- Employee Discount for Childcare
- Paid Time Off
- Paid Holidays
- Paid Sick Days
- Paid Professional Development
- Paid CPR & First Aid Certification & Renewals

Who We Are

Wonderfully Made is a nonprofit childcare program. We see our work as a ministry in which we get to provide local families with high-quality, Christ-centered care that is affordable. In doing so, we get to share the love of Jesus with children every day. We want every child to know that they are seen, known, and treasured. Our philosophy in the classroom is a combination of Christ-centered and Montessori-inspired so that children get to grow at their own pace as they do

hands-on work, play, engage with natural materials, tend to our school pets, learn skills from community volunteers, etc. If you're ready to make an impact, we'd love to hear from you.
