Who We Are

Wonderfully Made is a nonprofit childcare program. We see our work as a ministry in which we get to provide local families with high-quality, Christ-centered care that is affordable. In doing so, we get to share the love of Jesus with children every day. We want every child to know that they are seen, known, and treasured. Our philosophy in the classroom is a combination of Christ-centered and Montessori-inspired so that children get to grow at their own pace as they do hands-on work, play, engage with natural materials, tend to our school pets, learn skills from community volunteers, etc. If you're ready to make an impact, we'd love to hear from you.
